

KX Technology: Annual Leave Policy

Document ID: KX-HR-2026-002

Effective Date: June 1, 2026

1. Eligibility

Employees who have passed their 120-day probation period are eligible for annual leave.

Contract and part-time staff accrue leave on a pro-rata basis according to the number of days worked per week, as defined in their individual employment agreement.

2. Leave Quota

Each employee receives an annual leave quota of 15 business days per calendar year.

Employees with more than five years of continuous service are granted an additional 3 business days, for a total of 18 business days per calendar year.

Leave is accrued monthly at a rate of 1.25 days per completed month of service and becomes available for use at the start of the following month.

3. Notice Period

For consecutive leave of more than 3 business days, a request must be submitted in the HR-Portal at least 2 weeks in advance to allow for resource planning.

For single-day or half-day leave, requests should be submitted at least 2 business days in advance whenever possible.

Half-day leave is available in two fixed blocks: a morning block (09:00-13:00) and an afternoon block (13:00-18:00).

4. Carry-Over and Expiry

A maximum of 5 unused annual leave days may be carried over into the following calendar year.

Carried-over days must be used within the first quarter (by 31 March), after which they will expire and cannot be encashed.

Annual leave has no cash value and is not paid out on resignation except where required by local labour law.

5. Approval and Cancellation

All leave requests are routed to the employee's direct line manager, who is expected to approve or decline within 2 business days.

If a request is not actioned within 5 business days, it is automatically escalated to the department head.

Approved leave may be cancelled or amended in the HR-Portal up to 24 hours before the leave start date without penalty.

6. Public Holidays and Interaction with Other Leave

Public holidays that fall within an approved annual leave period are not counted against the annual leave quota.

Annual leave is separate from sick leave and personal emergency leave, each of which is governed by its own policy.

For questions regarding leave balances, employees may contact the People team via the HR-Portal help desk.
